

*The world was forever changed here, but today
the children of this city will go through their day in peace.*

What a precious thing that is.

It is worth protecting, and then extending to every child.

*That is a future we can choose,
a future in which Hiroshima and Nagasaki
are known not as the dawn of atomic warfare but as
the start of our own moral awakening.*

PRESIDENT OBAMA IN HIROSHIMA, 2016

On September 20, 2017, 50 states pledged to ratify the
