

2018

LANTERNS FOR PEACE

Tuesday, August 7 @ 6pm
The Tenney Park Shelter
1414 E. Johnson Street, Madison

Join us at this family-friendly event to commemorate the lives lost in the Hiroshima and Nagasaki bombings 73 years ago. We decorate paper lanterns with messages of peace and wishes for a nuclear weapon free future.

Offered annually by PSR and supporting sponsors, Lanterns for Peace features a peace song sing-along, refreshments and the decorating and floating of illuminated lanterns at dusk.

Students from the JASC* will be giving a short presentation this year.

~Supporting Sponsors~

Ecumenical Peace Working Group of Madison
Friends Meeting of Madison
Outrider Foundation
Womens' International League of Peace & Freedom
Chapter 25, Veterans for Peace
Lambda Theta Phi, Gamma Theta Chapter

*The Japan-America Student Conference (JASC) is a student-led exchange program initiated in 1934 by Japanese and American University students who were concerned with the breakdown of bilateral relationships between the two countries prior to the Second World War. They will be sharing their insights at the event on August 7.

This event is being held worldwide, as a call for a peaceful, nuclear-free world.
